

## Use dowsing to / for...

### Knowledge:

For information, for answers to questions, to help people in need.

### Personal Health and well being:

Which vitamins / minerals, how many do you need.

Medications if they are okay, what dosage. Selecting food.

Balancing your chakras with a pendulum. Thought forms instead of items. Self healing, mental & physical.

### Location of:

Water veins under ground, oil reserves or natural gas, ley and Hartmann lines, fissures, minerals

### Buried objects:

Lines/pipes/cables: water, electric, telephone, gas, sewer, septic

Road culverts, tubes, old wells, cisterns, outhouses, survey section markers, cornerstones

Unmarked graves, treasure, property line markers, artifacts (Indian, civil war, prehistoric)

### Weather forecasting

Using maps or informational dowsing

### Lost objects:

Missing people (Ask if they want to be found), missing planes, ships, boats

Tools, personal items, rings, wallets, car keys, etc.

### Selling / Buying

If you don't know a price, ask for the greater good of all concerned. If buying a car check to see if anything is wrong with it, go through a check list.

### Farming / Gardening

What to plant, where to plant and when, what brand or number of seed

Anticipate rainfall

Short: plant milo

Plenty: plant corn

### Map dowsing:

Looking for water, gas, oil, missing planes, people, minerals, lost items, clearing homes of noxious energy zones and entities using the tone method, looking for good fishing spots, locating game (deer, elk) before leaving home, locating fault lines, possible earthquake zones

### Have a talk with your spirit guides:

Guardian angels

Locating noxious energy zones in and around your home or work place

Communicating with friends or relatives who have crossed over, to talk or seek guidance.

### Police work

Do this only if asked
